Dear Fundraising Chairperson,

We know how challenging fundraising for your organization can be. Thus, WadaWash Car Wash has created a new fundraising program that we think your organization might be interested in. WadaWash offers the program to any qualified non-profit organization that is in need of raising funds. The program is simple. Your organization sells passes for our car wash and then keeps 40% of the total proceeds. Books of passes that aren't sold can be returned and no money is required up front from your organization. Just think – no money due up front, no order taking, no heavy lifting or unloading of product, and a product that everyone with a vehicle can use. We are open 7 days a week, 8 am till 8 pm Monday through Saturday and 9 am till 6 pm on Sunday. WadaWash is a flex service car wash which caters to the do-it-yourself and full service customer. In addition, WadaWash is certified environmentally friendly and we reclaim our water.

Our Brilliant Body & Wheels car wash sells for \$xx.xx. You keep \$x.xx for every wash you sell. You may pre pay for the number of tickets you would like to sell or provide a valid credit card for payment. Local organizations are using our program now and are very pleased with the monies raised as well as the ease of the fundraising process.

If you would like to get started, simply call us at 772-460-1010. Provide a kick off date for your organization and we will finalize all of the details. It's that simple.

Thank you for your time,

David B. Raidman
